Dear Counsellor You:

Re: Visit of People's Republic of China, Public Security Officials to Enforcement and Intelligence Operations Division (EIOD), Greater Toronto Area Region

It is my pleasure to invite the People's Republic of China's (PRC) Public Security officials to a meeting with the Greater Toronto Area Region's Enforcement and Intelligence Operations Division on August 3, 2012, in Mississauga. Attached is a list of delegates who will be headed by Mr. LUO Zifa, Deputy Director General, Economic Crime Investigation Department, Ministry of Public Security.

The purpose of the meeting is to provide the Chinese delegation with background information on managing Chinese fugitive cases through the CBSA's enforcement process and to discuss two specific cases which are alleged fugitives from justice in the PRC and have connections to Canada. I understand that your delegation will give presentations on each case and bring the essential documentary evidence to prove the case for the CBSA with you. Following, there will be a general discussion on how the cases can be moved forward.

Rudy Vogleson, Inland Enforcement Officer, will co-ordinate this meeting. He may be reached at (905) 405-3593 or at rudy.vogleson@cbisa.gc.ca. In the alternative, you may contact my Assistant, Karen Chin-Loy, at (905)-612-6069.

I look forward to meeting you and your colleagues and to a productive meeting.

Sincerely,

Mark Leonard
